

Chelmsford High School Alumni Association

JENNIFER M. CASANOVA MEMORIAL SCHOLARSHIP

Established 2011

Jennifer M. Casanova was a member of the Chelmsford High School Class of 2000. She is best remembered by her family, friends, and classmates as a dedicated and hard working individual, who was an accomplished diver and a spirited team member always ready to teach others how to perfect a dive or cheer her team mates to victory.

Committed to excellence in all she did, Jennifer earned 16 varsity letters in diving, track and pole vaulting, cheerleading, and gymnastics. In her senior year, Jennifer scored 246.00 for the One Meter Dive, placing her in the CHS record book at number 2. In the Eleven Dive program, she scored 385.95 at the State Sectionals, placing her at number 3 in the CHS record book.

During her high school career, Jennifer also dedicated herself to class activities, serving as a class representative for all 4 years as well as being an active member of DECA during her junior and senior years. Her interest in business and computers lead her to pursue and obtain a Bachelor's degree in Business Management and Accounting from Bentley College in 2004.

This scholarship is awarded to a female student who has made a significant contribution to the Chelmsford High School Swim and Dive Team and is given to honor Jennifer's memory so that others who embody her spirit of "doing one's best" may achieve their dreams.
