**MS. CAROL INGALLS**

**C**arol Carr Ingalls was a member of the Chelmsford High School Class of 1970. She graduated from Lowell State College in 1974 and began her teaching career at McCarthy Junior High School in 1976. While at McCarthy, she was an energetic classroom teacher of mathematics as well as math team coach.

From 1981 to 1986, Carol taught mathematics at Chelmsford High School and was advisor to the Class of 1985. Colleagues and students alike recall her enthusiasm for her subject matter, her passion for teaching, and her dedication and commitment to students.
